

Jason R. Dominguez BS, MPAS, PA-C

Professional Summary

Bilingual Physician Assistant in a busy medical office seeing many patients with both simple and complex medical conditions. My experience of approximately twelve years has been in both clinic and hospital setting as well as academic environment. It includes obtaining history and performing physical exams, interpreting laboratory data, treatment of a variety of Primary Care and Gastroenterology diseases, assisting and performing procedures. I am licensed by the Texas Medical Board and certified by NCCPA.
