

CURRICULUM VITAE

March 1, 2011

NAME: Jorge Desiderio Blanco, M.D.

CLINICAL:
OFFICE: Perinatologist
Regional Perinatal Center
Odessa Regional Medical Center
Odessa, Texas
Telephone: (432) 582-8757
Fax: (432) 582-8928

ADMINISTRATIVE:
OFFICE: Managing Member
West Texas Maternal Fetal Medicine Center, LLC
804 East 7th Street
Odessa, Texas 79761
Telephone: (432) 582-2277
Fax: (432) 333-2802

MAILING ADDRESS: P. O. Box 1028
Odessa, Texas 79760

E-MAIL ADDRESS:

BIRTH DATE:

CITIZENSHIP: United States of America

UNDERGRADUATE
EDUCATION: The Johns Hopkins University
Baltimore, Maryland
B.A., Natural Sciences, 1971

GRADUATE
EDUCATION: Vanderbilt University School of Medicine
Nashville, Tennessee
M.D., 1975

POSTGRADUATE
TRAINING:
Internship: Department of Obstetrics and Gynecology
The University of Texas Health Science Center
at San Antonio
San Antonio, Texas
Joseph Seitchik, M.D., Chairman
July 1975-June 1976

Residency: Department of Obstetrics and Gynecology
The University of Texas Health Science Center
at San Antonio, Texas
Joseph Seitchik, M.D., Chairman
July 1976-June 1979
Administrative Chief Resident
July 1978-June 1979

Fellowship: Maternal-Fetal Medicine
Department of Obstetrics and Gynecology
The University of Texas Health Science Center
at San Antonio, Texas
Ronald S. Gibbs, M.D., Program Director
July 1979-June 1981

Basic Science
Fellowship: Chlamydia trachomatis laboratory techniques
Julius Schachter, Ph.D.
Department of Laboratory Science
University of California - San Francisco
San Francisco, California, 1981

ADMINISTRATIVE
EDUCATION:

The University of North Carolina
Kenan-Flagler School of Business
Program on Management in Health Care
November 6-11, 1994
January 8-13, 1995
March 19-24, 1995
May 14-19, 1995

Awarded: Certificate of Management in Health Care, 1995

The Harvard Program on Health Care Policy and Management
December 11-16, 1994

American College of Physician Executives
Physician in Management Series
I November 27-December 2, 1994

III April 9-14, 1995

American College of Physician Executives
Financial Decision Making
February 11-15, 1995

ACADEMIC
APPOINTMENTS:

Clinical Professor
Department of Obstetrics and Gynecology
University of Florida College of Medicine
Pensacola, Florida
1997 - 1999

John T. Armstrong Professor
Department of Obstetrics, Gynecology
and Reproductive Sciences
The University of Texas Health Science Center
at Houston, Houston, Texas, 1990 - 1997

Professor, (with tenure) Department of
Obstetrics, Gynecology, and Reproductive Sciences
The University of Texas Health Science Center
at Houston, Houston, Texas, 1989 - 1997

Professor, Department of Obstetrics and
Gynecology, Texas Tech University
Health Sciences Center, Lubbock, Texas 1987-1989

Associate Clinical Professor, Medical College of Georgia,
Augusta, Georgia, 1986-1987

Associate Professor (with tenure), Department of Obstetrics and
Gynecology, The University of Texas Health Science Center at San
Antonio, Texas, 1984-1985

Assistant Professor, Department of Obstetrics and Gynecology,
The University of Texas Health Science Center at San Antonio,
Texas, 1979-1984

CLINICAL -
ADMINISTRATIVE
APPOINTMENTS:

Managing Member
West Texas Maternal Fetal Medicine Center, LLC
Odessa, Texas
2008 - present

Perinatologist,
Regional Perinatal Center
Odessa Regional Hospital
Odessa, Texas
2001 - present

Perinatologist,
Magella Group (Obstetrix Medical Group)
Dallas, Texas
2000

Medical Director
Sacred Heart Women's Hospital
Pensacola, Florida
1997 - 1999

Associate Chair
Department of Obstetrics and Gynecology
The University of Florida College of Medicine
Pensacola, Florida
1997-1999

Residency Program Director

Obstetrics, Gynecology and Reproductive Sciences, The
University of Texas Health Science Center at Houston, Houston,
Texas 1990-1997

Director, Chlamydia Research Laboratory, Department of
Obstetrics and Gynecology, The University of Texas Health
Science Center at San Antonio, Texas, 1981-1985

Coordinator, Grand Rounds Conference, Department of Obstetrics
and Gynecology, Texas Tech University Health Sciences Center,
Lubbock, Texas, 1987-1989

Director, Senior Elective Program, Department of Obstetrics and
Gynecology, The University of Texas Health Science Center at San
Antonio, Texas, 1983-1985

Coordinator, Grand Rounds Conference, Department of Obstetrics
and Gynecology, The University of Texas Health Science Center at
San Antonio, Texas, 1983-1984

Director, Sophomore Introduction to Obstetrics and Gynecology
Course, Department of Obstetrics and Gynecology, The
University of Texas Health Science Center at San Antonio,
Texas, 1982-1985

HOSPITAL
APPOINTMENTS:

Attending Staff
Odessa Regional Hospital
Odessa, Texas
2001 - present

Attending Staff
Sacred Heart Women's Hospital
Pensacola, Florida
1997 - 1999

Attending Staff
Lyndon Baines Johnson General Hospital
Houston, Texas, 1990 - 1997

Consulting Staff
St. Joseph's Hospital
Houston, Texas
1990 - 1997

Attending Staff
Hermann Hospital
Houston, Texas
1989 - 1997

Attending Staff
Lubbock General Hospital
Lubbock, Texas
1987 - 1989

Attending Staff
Memorial Medical Center
Savannah, Georgia
1985-1987

Attending Staff
Medical Center Hospital
San Antonio, Texas
1979 - 1985

LICENSURE:

Tennessee, 1977, Inactive
Texas, 1979, Active
Florida, 1997, Active
Georgia, 1985, Inactive

CERTIFICATION:

Diplomate, American Board of Medical Management, 1996

Recertified, American Board of Obstetrics and Gynecology,
Maternal-Fetal Medicine, 1993, 2002, 2006

Diplomate, Maternal-Fetal Medicine Subspecialty, American
Board of Obstetrics and Gynecology, 1983

Diplomate, American Board of Obstetrics and Gynecology, 1982

Diplomate, National Board of Medical Examiners, 1976

PROFESSIONAL
ORGANIZATIONS:

*American Gynecological and Obstetrical Society
Member 1997- 2008

*Society for Gynecologic Investigation, Member 1983-2007

*Society of Maternal-Fetal Medicine, Member 1984

*American College of Obstetricians and Gynecologists,
Fellow, 1983

*Infectious Disease Society for Ob/Gyn, Member 1980 - 2008
Nominating Committee, 1993-1994
Executive Council, 1994-1997

Texas Medical Association, 1989
Secretary, Section on Obstetrics and Gynecology, 1996-
1997

Texas Association of Obstetricians and
Gynecologists, 1989
Executive Council, 1994-1997

The American College of Physician Executives, 1993
(*elected to membership)

HONORS:

"The Best Doctors for Women"
Good Housekeeping Magazine, August, 1997

Who is Who - 1998
52nd Edition

Best Poster Award
Society for Perinatal Obstetricians, 1995

Who is Who in the World - 1996
13th Edition

Advances in Infectious Diseases in Obstetric Gynecology, American College of Obstetricians and Gynecologists, April, 1982

GRANTS:

Project Director, Colposcopy Services to the Indigent of Harris County. Texas Department of Health 1993-1995, \$460,000

Project Director, Colposcopy Services to the Indigent of Harris County. Texas Department of Health, 1992-1993, \$214,000.

Principal Investigator, Microbiology in Patients with Intraamniotic Infection Treated with Ampicillin-Gentamicin or Ceftrizoxime. Fujisawa Pharmaceutical Company, 1991-1993, \$18,000.

Principal Investigator, Treatment of Gynecological Pelvic Infections with Intravenous Trospectomycin Sulfate (U-63, 366F) with Aztreonam or Clindamycin Phosphate with Aztreonam. The Upjohn Company, 1990-1993, \$186,000.

Principal Investigator, Sensitivity of Bacteroides Species to Temafloxacin. Abbott Laboratories, 1992, \$9,500.00.

Principal Investigator, A Comparative Study of the Safety and Efficacy of Temafloxacin Hcl versus Cefoxitin Sodium plus

Doxycycline in the Treatment of Acute Gynecologic Infections/Pelvic Inflammatory Disease. Abbott Pharmaceuticals; 1991-1992, \$29,500.

Project Director, Colposcopy Services to the Indigent of Harris County. Texas Department of Health, 1991-1992, \$132,000.

Principal Investigator, Double-Blind, Placebo-Controlled Study of the Effect of Ceftizoxime Sodium in the Management of Patients with Preterm, Premature Rupture of Membranes. Fujisawa Pharmaceutical Company, 1990-1992, \$73,000.

Principal Investigator, Open Study of the Effect of Preterm, Premature Rupture of Membranes. Fujisawa Pharmaceutical Company, 1990, \$2,000.

Principal Investigator, Bacterial Resistance after Cesarean Section Prophylaxis: A Comparative Study. Roche Laboratories, 1989, \$4,300.

Principal Investigator, Comparative Study of the Safety and Efficacy of Ceftizoxime Sodium Plus Doxycycline in the Treatment of Gynecologic Infections including Acute Salpingitis, Endometritis, and Peritonitis. Fujisawa SmithKline, 1988-1989, \$95,000.

Project Director, West Texas Perinatal Outreach and Education Program. West Texas Rural Health Education Center, 1988-1989, \$15,000.

Project Director, Maternal and Infant Care Grant. Department of Human Resources, State of Georgia, 1986-1987, \$177,000.

Project Director, Maternal and Infant Care Grant. Department of Human Resources, State of Georgia, 1985-1986, \$40,000.

Principal Investigator, Chlamydia trachomatis Screening in Infertility. SyvaMicro Company, 1985, \$10,000.

Principal Investigator, Non-steroidal Anti-inflammatory Agents as Adjunctive Therapy of Experimental Chlamydial Salpingitis in an Animal Model. The Upjohn Company, 1984, \$8,000.

Principal Investigator, A Randomized Comparative Study for the Evaluation of Ceftazidime and Clindamycin Plus Tobramycin in the Treatment of Obstetrical and Gynecologic Infections. Glaxo Research Division, 1982-1983, \$68,000.

Principal Investigator, A Multicenter Randomized Study to Compare the Efficacy and Safety of Ceftazidime and Cefotaxime as Pre-Operative Prophylaxis in Gynecologic Surgery. Glaxo Research Division, 1982-1983, \$40,000.

Principal Investigator, Ceftazidime Levels in Breast Milk. Glaxo Research Division, 1982, \$4,000.

Principal Investigator, The Immunological Study of Chorioamnionitis. NIH RR05654, 1979-1980, \$4,000.

Principal Investigator, Vanderbilt University Fellowships and Merits Award. Middle Tennessee Heart Association, 1982, \$1,000.

Co-Investigator, Prevention of Prematurity by Detection and Treatment of Gestational Genitourinary Infections. NIH RFP-NICHD-CRMC-83-17, 1983-1985.

Co-Investigator, Amniotic Fluid Studies and Maternal and Maternal-Fetal Morbidity. NICHD 1983-1985.

Co-Investigator, Amniotic Fluid Studies and Maternal-Fetal Morbidity. NIH 5R01 HD 12292, 1979-1982.
